## 4111 CREATING POSITIONS

The Board of Education recognizes its authority to establish support staff positions that, when filled by qualified employees, will assist the district in the achievement of educational goals set by the Board.

The Board will create new positions as required, approve a job title appropriate to the position, and determine the number of persons required to staff adequately each such position.

The Chief School Administrator shall recommend to the Board such new positions or additional staffing in existing positions as may be required by student enrollments and the operational needs of the district.

N.J.S.A. 18A:16-1; 18A:17-24; 18A:28-1

Adopted: 22 July 2021

## 4123 PROBATIONARY PERIOD

Each employee hired by the Board of Education shall serve a probationary period of sixty days duration during which the employee may be summarily dismissed without notice. During the probationary period, time off the job for uncompensated leave, sick leave, will not count toward the completion of the probationary period.

An employee who completes the probationary period will be entitled to all the rights and privileges accorded such employees by the policies of this Board and by contracts if any negotiated with the employee's representative.

An employee who successfully completes a probationary period in one classification of employment who is transferred to another classification of employment must serve a probationary period of sixty days in the new classification. If the employee does not perform successfully in the new classification, he/she shall be entitled to reinstatement in the former classification, provided there is available in that classification a position that is not filled by a permanent employee. If no position is available, the employee entitled to reinstatement shall be given the reemployment preference he/she would receive in a layoff.

Adopted: 22 July 2021

## 4124 EMPLOYMENT CONTRACT

The Board of Education requires every nontenured support staff member annually sign an employment contract for a term of not more than one year.

The employment contract shall include the date; name of the employee; the beginning and ending dates of service (fixed term appointment); the salary to be paid and the manner of payment; an authorization for salary deductions as applicable; and such other terms and conditions as may be necessary to a complete statement of the employment relationship.

The contract may include a provision for a probationary employment period with a provision providing the Board the right to terminate the employment of the nontenured support staff member at the completion of the probationary employment period. The contract will include a provision for the termination of the nontenured support staff member's contract on sixty days notice duly given by either party.

In the event the salary entered on the written contract differs from that formally approved by the Board, the salary approved by the Board shall be the salary paid.

Adopted: 22 July 2021

### 4125 EMPLOYMENT OF SUPPORT STAFF MEMBERS

The Board of Education believes it is vital to the successful operation of the school district that support staff member positions be filled with highly qualified and competent professionals.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Chief School Administrator and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district.

The Board may employ substitutes and/or contract for substitutes for absent support staff members in order to ensure continuity in a program. The Board will annually approve a list of substitutes and rate of pay and/or the Board will approve a contract for a contracted service provider to provide substitute support staff members.

The Board of Education shall not employ for pay or contract for the paid services of any support staff member or any other person serving in a position which involves regular contact with students unless the Board has first determined consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq. that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

An individual employed by the Board or a school bus contractor holding a contract with the Board, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements as outlined in N.J.S.A. 18A:39-19.1.

The Board will employ paraprofessional school aides and/or classroom aides to assist in the supervision of student activities under the direction of a Principal, teacher, or other designated certified professional personnel. Aides will serve the needs of students by performing nonprofessional duties and may work only under the direct supervision of a teaching staff member(s).

In accordance with the requirements of the Every Student Succeeds Act (ESSA), paraprofessionals hired after January 8, 2002, who work in a program supported with Title I, Part A funds, with certain exceptions, must meet one of the following criteria:

1. Completed at least two years of study at an institution of higher education;

2. Obtained an associate's (or higher) degree; or
3. Met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing, reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness).

Paraprofessional staff working in a Title I school, and whose salary is paid for in whole or in part with Title I funds, must meet one of the criteria listed above. The Chief School Administrator will ensure paraprofessionals working in a program supported with Title I funds meet the above stated requirements.

An individual employed by the Board in any substitute capacity or position shall be required to undergo a criminal history record check in accordance with the provisions of N.J.S.A. 18A:6-7.1b.

An individual, except as provided in N.J.S.A. 18A:6-7.1g, shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for any crime or offense as defined in N.J.S.A. 18A:6-7.1 et seq.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

The Board of Education prohibits any relative of a Board member or the Chief School Administrator from being employed in an office or position in the school district in accordance with the provisions of N.J.A.C. 6A:23A-6.2 and Board Policy 0142.1 – Nepotism.

The Board of Education and the Chief School Administrator reserve the right to assign and transfer support staff members to the positions for which they are qualified and in which their service will best serve the operation of the district.

The Chief School Administrator is responsible for the assignment and transfer of support staff members, except that the Board of Education is responsible for the assignment of support staff members in the positions of Treasurer of School Moneys, Board Attorney, or Board Secretary, except a Board Secretary who performs business administrator functions.

The Board will transfer support staff members only upon the recommendation of the Chief School Administrator and by a recorded roll call majority vote of the full membership of the Board. The Board will not withhold its approval of the transfer for arbitrary and capricious reasons.

In considering any transfer, the Chief School Administrator shall base the choice on the employee's success in former positions, the employee's attitude toward change, the employee's length of service in the district, the recommendation of the employee's supervisor, and the operational efficiency advanced by the proposed transfer. No support staff member shall be transferred for disciplinary reasons.

Employees shall be given written notice of their annual assignments as soon as possible, when the assignment will be effective, but may be given notice of reassignment at any time during the year.

Employees may not transfer duties from one position to another nor may one employee perform the duties of another employee without the prior approval of the Principal.

The Board of Education will enter a contract with each non-tenured support staff member providing, in part, for the termination of employment by either party. The Board may terminate the employment of an employee for incompetence, immorality, unfitness for service, insubordination, reduction in force, or other good cause. Any notification of termination for cause will include a full statement of the reasons for the dismissal on notice duly given a nonprobationary employee.

The Board may terminate an employment contract with a non-tenured support staff member only upon the recommendation of the Chief School Administrator and by a recorded roll call majority vote of the full membership of the Board. The Board will not withhold its approval for arbitrary and capricious reasons. N.J.S.A. 18A:27-4.1.

## 4145 LAYOFFS

The Board of Education shall provide the support staff necessary for the operation of the district in a manner that is efficient and economical.

The Board reserves the right to abolish support staff positions and reduce district staff commensurately whenever reasons of economy, reorganization of the school district, reduction in the number of students, or other good cause so warrant. The Chief School Administrator shall continually review the efficiency and effectiveness of district organization and recommend to the Board the creation and abolishment of support staff positions and the reallocation of duties and positions.

When two or more employees are employed in the same classification of employment in which a position is abolished, the employee shall be reemployed who has demonstrated greater competence.

When, as the result of the abolishment of a position, an employee is demoted in position, the employee shall receive his/her current salary.

### 4146 NONRENEWAL OF NONTENURED SUPPORT STAFF MEMBER

The Board will renew the employment contract of a nontenured support staff member only upon the recommendation of the Chief School Administrator and by a recorded roll call majority vote of the full membership of the Board. The Board will not withhold its approval for arbitrary and capricious reasons. A nontenured support staff member who is not recommended for renewal by the Chief School Administrator is deemed nonrenewed.

When the nontenured support staff member's performance does not meet the standards of the district, the Chief School Administrator shall recommend not to renew the support staff member's contract. Prior to notifying the nontenured support staff member of the nonrenewal, the Chief School Administrator will notify the Board of the recommendation not to renew the support staff member's contract and the reasons for the recommendation. The Chief School Administrator may notify the Board in a written notice or in executive session at a full Board meeting. In the event the Board is notified in executive session, the Chief School Administrator will comply with the requirements of the Open Public Meetings Act and provide reasonable notice to the nontenured support staff member their employment will be discussed in executive session in order for the support staff member to exercise their statutory right to request a public discussion.

The Chief School Administrator shall notify each nontenured support staff member to whom reemployment will not be offered in writing in accordance with the terms of any applicable collective bargaining agreement, individual contract, or any other agreement between the parties. Paraprofessionals continuously employed since the preceding September 30 as a school aide or classroom aide in a school district that receives funding under Title I of the Federal Elementary and Secondary Education Act of 1965 shall be notified of renewal or nonrenewal on or before May 15 in each year in accordance with the provisions of N.J.S.A. 18A:27-10.2.

A nontenured support staff member whose contract is not renewed shall have the right to a written statement of the reasons for nonrenewal, provided the request for the statement of reasons is made within fifteen days of the Chief School Administrator's written notification of nonrenewal to the support staff member. The statement of reasons shall be provided to a nontenured support staff member within thirty days after the receipt of the request.

Whenever a nontenured support staff member has requested in writing and received a written statement of reasons for non-reemployment, the nontenured support staff member shall have the right to an informal appearance before the Board to permit the support staff member an opportunity to convince the members of the Board to offer reemployment, provided that a request for such an appearance is received within ten days after the support staff member receives the statement of reasons provided by the Chief School Administrator. The informal appearance before the Board shall be held in accordance with the provisions of N.J.A.C. 6A:10-8.1.

#### Nonrenewal of Nontenured Support Staff Member

The Board is not required to offer reemployment or vote on reemployment after an informal appearance with a nontenured support staff member who was not recommended for reemployment by the Chief School Administrator. The Board may, with a majority vote of its full membership in public session and without the recommendation of the Chief School Administrator, offer the nontenured support staff member reemployment after the informal appearance before the Board. The support staff member will be notified of the Board's final determination within three days following the informal appearance before the Board.

The provisions as outlined in Policy and Regulation 4146 may be revised or adjusted by the Chief School Administrator to be in accordance with the terms and timelines of any applicable collective bargaining agreement, individual contract, or any other agreement between the parties provided the terms are not contrary to any statute, administrative code, or any management rights of the Board.

The Chief School Administrator and/or School Business Administrator shall deal with disciplinary matters on a case by case basis. Discipline will include, as appropriate, verbal and written warnings, transfer, suspension, freezing wages, and dismissal; discipline will provide, wherever possible, for progressive penalties for repeated violations.

In the event disciplinary action is contemplated, notice will be given to the employee in ordinary and concise language of the specific acts and omissions upon which the disciplinary action is based; the text of the statute, policy, rule, or regulation that the employee is alleged to have violated; a date when the employee may be heard and the administrator who will hear the matter; and the penalty that may be imposed.

### 4159 SUPPORT STAFF MEMBER/SCHOOL DISTRICT REPORTING RESPONSIBILITIES

All support staff members shall be required to report their arrest or indictment for any crime or offense to the Chief School Administrator within fourteen calendar days of the arrest or indictment. For purposes of this policy, “support staff members” shall include all school district employees who hold a position in the school district for which no certificate issued by the New Jersey State Board of Examiners is required.

The report submitted to the Chief School Administrator shall include the date of arrest or indictment and charge(s) lodged against the support staff member. Such support staff members shall also report to the Chief School Administrator the disposition of any charges within seven calendar days of the disposition. Failure to comply with these reporting requirements may be deemed “just cause” for disciplinary action, which may include termination or non-renewal of employment in accordance with law.

Teaching staff members are required to report their arrest or indictment for any crime or offense in accordance with Policy 3159 and N.J.A.C. 6A:9B-4.3.

### 4160 PHYSICAL EXAMINATION

The Board of Education requires each candidate for employment who receives a conditional offer of employment to undergo a physical examination(s) to determine whether the candidate is able to perform with reasonable accommodation job-related functions pursuant to P.L. 101-336, Americans with Disabilities Act of 1990 (ADA).

If upon completing an examination(s) it is determined a candidate for employment who received a conditional offer of employment is unable to perform with reasonable accommodation job-related functions pursuant to the provisions of the ADA, the conditional offer of employment will be rescinded either by the Chief School Administrator, if the Board has not yet approved the appointment, or by the Board, if the Board had approved the appointment at a Board meeting.

The physical examination shall include, but is not limited to, a health history to include past serious illnesses and injuries; current health problems; allergies; and a record of immunizations. The physical examination shall also include a health screening to include, but not limited to: height and weight; blood pressure; pulse and respiratory rate; vision screening; and hearing screening.

Pursuant to N.J.S.A. 18A:16-3, the Board shall bear the cost of physical examinations required by this Policy performed by a physician or institution designated by the Board. However, the candidate shall bear the cost if the examination is performed by a physician or institution designated by the candidate with approval of the Board. In the event the Board approves the physician or institution designated by the candidate to complete an examination required by this Policy, the candidate will be provided with the detailed requirements of the examination.

School employee physicals, examinations, and/or annual medical updates do not require screening or disclosure of HIV status.

A Mantoux tuberculosis test shall be given to all student teachers, school bus drivers on contract with the district, and contractors or volunteers who have contact with students.

All staff members' medical and health records, including computerized records, will be secured, stored, and maintained separately from other personnel files. The information contained in medical records will be kept confidential. Only the staff member, the Chief School Administrator, and the school medical inspector shall have access to medical information regarding an individual employee. Health records may be shared only with authorized individuals in accordance with N.J.S.A. 18A:16-5. The staff member may provide health-status

information, including medications that may be of value to medical personnel in the event of an emergency requiring treatment. In such instances, the staff member may also choose to share with the staff member's Building Principal and, if desired, with the certified school nurse, information regarding current health status to assure ready access in a medical emergency.

Additional individual psychiatric or physical examinations of any staff member may be required by the Board whenever, in the judgment of the Board, a staff member shows evidence of deviation from normal physical or mental health. Any additional individual examinations will be pursuant to the requirements of N.J.A.C. 6A:32-6.3. Additional examinations and/or certifications may be required to verify fitness in accordance with Policy 4161 or disability in accordance with Policies 4425 and 4435.

### 4161 EXAMINATION FOR CAUSE

The Board of Education may, in accordance with law, require the psychiatric or physical examination of any support staff member who shows evidence of deviation from normal physical or mental health.

The Chief School Administrator shall recommend to the Board the examination of any support staff member whose physical or mental condition so departs from normal health as to adversely affect the performance of the member's duties. Any such recommendation must be accompanied by competent evidence. If the Board determines that deviation from normal health has been demonstrated, it may require that the member submit to a physical or mental examination.

A requirement for physical or mental examination shall be made known to the employee by written notice setting forth the nature of the examination required, the reasons for the requirement, and a statement offering the member the opportunity to appear before the Board to explain or refute those reasons, provided any such hearing is requested in writing within five working days of the receipt of the notice.

A support staff member who fails to request an appearance before the Board within the time permitted or, having appeared before the Board, fails to persuade the Board that he/she should not be required to submit to the required examination shall be ordered to submit to an appropriate examination by a physician or institution designated by the Board and at the Board's expense.

The support staff member may, at his/her option, submit names of physicians or institutions to the Board for consideration to complete the appropriate examination(s). The Board is not required to designate a physician or institution submitted for consideration by the support staff member, but the Board will not act unreasonably in withholding its approval of a physician or institution submitted by a support staff member. The cost of the examination will be borne by the Board if the Board designates a physician or institution from the names submitted from the support staff member.

If the support staff member's request is denied, or if the support staff member does not request the Board to consider a physician or institution, the staff member may elect to submit to an appropriate examination conducted by a physician or institution of the support staff member's own choosing and at his/her expense, provided the physician or institution so chosen is approved by the Board, pursuant to N.J.S.A. 18A:16-3, and is authorized and directed by the member to report the results of the examination to the Board.

If the results of the examination show mental abnormality or communicable disease, the support staff member shall be placed on sick leave and compensated in accordance with his/her sick leave entitlement, if any, until proof of recovery, satisfactory to the Board, is furnished. No leave of absence granted under this policy shall exceed the term of the contract of a nontenured support staff member or a period of two years in the case of a tenured support staff member.

A support staff member who refuses to submit to the examination required by the Board and has exhausted the hearing procedures established by law and this policy shall be subject to discipline, which may include the certification of tenure charges to the Commissioner of Education.

### 4212 ATTENDANCE

The regular and prompt attendance of support staff members is an essential element in the efficient operation of the school district and the effective conduct of the educational program. Staff member absenteeism disrupts the educational program and the Board of Education considers attendance an important component of a staff member's job performance.

A support staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with Board policy, falsifies the reason for an absence, is absent without authorization, is repeatedly tardy, or accumulates an excessive number of absences may be subject to appropriate consequences, which may include the withholding of a salary increment, dismissal, and/or certification of tenure charges.

In accordance with N.J.S.A. 18A:30-1, sick leave is defined to mean the absence from work because of a personal disability due to injury or illness or because the support staff member has been excluded from school by the school medical authorities on account of contagious disease or of being quarantined for such a disease in the staff member's immediate household. No support staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for in the collective bargaining agreement negotiated with the member's majority representative, in an individual employment contract, or provided in the policies of the Board. In accordance with N.J.S.A. 18A:30-4, the Chief School Administrator or Board of Education may require a physician's certificate to be filed with the Secretary of the Board in order to obtain sick leave.

The Chief School Administrator, in consultation with administrative staff members, will review the rate of absence among the staff members. The review will include the collection and analysis of attendance data, the training of support staff members in their attendance responsibilities, and the counseling of support staff members for whom regular and prompt attendance is a problem.

N.J.S.A. 18A:30-1 et seq.

Adopted: 22 July 2021

### 4214 CONFLICT OF INTEREST

No support staff member of the Board of Education shall have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity which is in conflict with the proper discharge of the support staff member's duties.

No support staff member shall use or attempt to use his/her position to secure unwarranted privileges or advantages.

No support staff member of the Board shall act in his/her official capacity in any matter wherein he/she has a direct or indirect personal financial interest.

No support staff member of the Board shall accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing the support staff member in the discharge of his/her duties.

The Board of Education discourages the presentation of gifts to support staff members by students and their parent(s) or legal guardian(s), because it may embarrass students with limited means and give the appearance of currying favor.

The Board directs that support staff members instruct students to express their appreciation by means other than gifts.

Support staff members may receive gifts of only nominal value from students or their parent(s) or legal guardian(s).

N.J.S.A. 18A:6-8; 18A:11-1

Adopted: 22 July 2021

## 4215 CODE OF ETHICS

All support staff employees will:

Represent themselves honestly in the application and selection procedure;

Not advise or counsel students except in special cases with the knowledge and consent of the Principal;

Complete thoroughly their assigned tasks;

Keep the trust under which confidential information may be given;

Protect and care for district property.

Adopted: 22 July 2021

## 4218 USE, POSSESSION, OR DISTRIBUTION OF SUBSTANCES

The Board of Education recognizes a support staff member who reports to work under the influence of a substance poses a significant threat to their health, safety, and welfare and the health, safety, and welfare of others, including students and other staff members. The Board strongly advises any support staff member that has a dependency on a substance as defined in this Policy to seek appropriate treatment. The Board has an obligation and the right to maintain a safe and healthy work environment and adopts this Policy as an important component toward maintaining a safe environment in the school district.

For the purpose of this Policy, “substance” or “substances” as defined in N.J.S.A. 18A:40A-9 and N.J.A.C. 6A:16-4.1(a) means alcoholic beverages; any controlled dangerous substances, including anabolic steroids as defined in N.J.S.A. 24:21-2 and N.J.S.A. 2C:35-2; any chemical or chemical compound which releases vapors or fumes causing a condition of intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system, including, but not limited to, glue containing a solvent having the property of releasing toxic vapors or fumes as defined in N.J.S.A. 2C:35-10.4; and over-the-counter and prescription medications that are improperly used to cause intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system.

A support staff member shall be required to submit to an immediate medical examination to include a substance test if the support staff member’s supervisor has reasonable suspicion to believe a support staff member is under the influence of a substance during work hours or at a school-sponsored function where the support staff member has been assigned job responsibilities. Refusal by a support staff member to consent to the medical examination including a substance test will be deemed a positive result for substances. In the event the results of the medical examination and substance test are not provided to the Chief School Administrator, within twenty-four hours or as soon as the test results are available, it will be deemed a positive result for substances and the support staff member shall be subject to appropriate discipline. Any required medical examination and testing shall be paid for by the Board.

### 4282 USE OF SOCIAL NETWORKING SITES

The Board of Education has a strong commitment to quality education and the well-being of all students, as well as the preservation of the school district's reputation. The Board believes staff members must establish and maintain public trust and confidence and be committed to protecting all students attending the school district. In support of the Board's strong commitment to the public's trust and confidence, the Board holds all staff members to the highest level of professional responsibility.

The Commissioner of Education has determined inappropriate conduct outside a staff member's professional responsibilities may determine them as unfit to discharge the duties and functions of their position. While the Board respects the right of staff members to use social networking sites, staff members should recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. It is important that a staff member's use of these sites does not damage the reputation of the school district, employees, students, or their families. Staff members who utilize, post or publish images, photographs, or comments on social networking sites, blogs, or other forms of electronic communication outside their professional responsibilities shall ensure their use, postings, or publications are done with an appropriate level of professionalism and are appropriate conduct for a school staff member. The school district strongly encourages all staff members to carefully review the privacy settings on social networking sites they use and exercise care and good judgment when posting content and information on such sites. Staff members should adhere to the following guidelines, which are consistent with the district's workplace standards on harassment, student relationships, conduct, professional communication, and confidentiality.

When using personal social networking sites, school staff members:

This prohibition also includes signature lines and personal e-mail accounts;
8. Shall not post updates to their status on any social networking sites during normal working hours including posting of statements or comments on the social networking sites of others during school time unless it involves a school project. The Board of Education shall develop and practice reasonable and effective means for the resolution of disputes that may arise in the employment of support staff members not covered by the terms of a negotiated agreement.

The Board directs that any grievance not provided for by negotiated agreement be resolved by submission to the following grievance procedure, which is designed to promote proper and equitable settlement of grievances at the lowest appropriate level and to facilitate an orderly process for the resolution of grievances.

For the purposes of this policy, "grievance" means an unresolved problem concerning the application or interpretation by an officer or employee of this district of law, regulations of the State Board of Education, the bylaws or policies of the Board, or the administrative regulations of the Chief School Administrator; "grievant" is a district employee who alleges a grievance or the employee's representative; "party" means the grievant or any person named in the grievance as allegedly having violated a law, bylaw, policy, or regulation; and "day" means a school day.

If the same or substantially the same alleged grievance is made by more than one employee, a single grievant may process the grievance through the grievance procedure on behalf of all grievants. The names of all the grievants will appear on all documents related to the settlement of the grievance.

A grievant may be represented or accompanied at any time by a person whom the grievant chooses.

A grievant may use personal leave time when it becomes necessary to process a grievance during the working day. There will be no reprisal of any kind taken against any employee or employee's representative for participation in a grievance.

Any alleged grievance should, at the first instance, be discussed in one or more private, informal conferences between the parties involved or between the grievant and his/her immediate supervisor. A grievance not resolved in one or more such private meetings may be processed in accordance with the following procedure.

#### Level One

Within three working days of the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing to the grievant's immediate supervisor. The written document will be a clear, concise statement of the grievance and will include the law, rule, policy, or regulation that the grievant alleges to have been violated; the factual circumstances on which the grievance is based; the person or persons involved; the decision, if any, rendered at the private conference; and the remedy sought.

Any party to the grievance may request a personal conference with the supervisor in order to resolve the grievance.

Within seven working days the supervisor shall present a decision to the grievant in writing. If the supervisor does not respond during the time permitted, the grievant may appeal to the next level.

### Level Two

A grievant not satisfied with a decision at Level One may appeal that decision in writing to the Chief School Administrator within three working days after receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal will include a copy of the original grievance; the decision rendered, if any; the name of the grievant's representative, if any; and a clear, concise statement of the reasons for the appeal of the decision.

Any party to the grievance may request a personal conference to discuss the grievance.

The Chief School Administrator shall present a decision to the grievant within seven working days. If no decision is rendered within that time limit, the grievant may appeal to the next level.

### Level Three

A grievant not satisfied with the Chief School Administrator's decision may appeal that decision in writing to the Board within three working days after the receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Board will include copies of the original grievance, the appeal of that grievance at Level Two, and the decisions, if any, rendered at Level Three.

The Board shall schedule the grievance for hearing at a private session to be held within forty-five calendar days of the presentation of the appeal. The grievant shall be present at the hearing and may require the presence of a party to the grievance.

Within ten calendar days of the hearing, the Board shall submit its decision in writing together with reasons that support the decision to the grievant. A copy of the decision shall be given to the Chief School Administrator and to any other party to the grievance. The decision of the Board shall be final.

## 4351 HEALTHY WORKPLACE ENVIRONMENT

The Board of Education recognizes a healthy workplace environment enables school support staff members to fully contribute their expertise and skills to their school district responsibilities. A healthy workplace environment can improve productivity, reduce absenteeism, and reduce staff turnover while having a positive impact on the school district's programs provided to students in the school district.

A significant characteristic of a healthy workplace environment is that employees interact with each other with dignity and respect regardless of an employee's work assignment or position in the school district. Repeated malicious conduct of an employee or group of employees directed toward another employee or group of employees in the workplace that a reasonable person would find hostile or offensive is unacceptable and is not conducive to establishing or maintaining a healthy workplace environment. This unacceptable conduct may include, but is not limited to, repeated infliction of verbal abuse such as the use of derogatory remarks; insults; verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating; or the gratuitous sabotage or undermining of a person's work performance. A single act of such conduct shall not constitute the unacceptable conduct prohibited by this policy unless it is especially severe and egregious.

Unacceptable conduct, for the purposes of this policy, is not conduct toward an employee of a protected class or because of the employee's protected activity. These employees and activities are afforded the legal protections under various Federal and State anti-discrimination laws. In addition, unacceptable conduct for the purposes of this policy shall not be confused with conduct of management employees exercising management rights including, but not limited to, assigning tasks, reprimanding, assigning discipline, or directing.

Employees who believe the conduct prohibited by this policy has been directed toward them or to another employee of the school district shall submit a written report to the Chief School Administrator. The written report shall provide specific details supporting the claim including, but not limited to, the specific conduct; the names of witnesses (if any) who may have observed such conduct; dates or times when such conduct occurred; and any other information the person(s) making the report believes will be informative and helpful to an investigation of the allegations. Upon receipt of a report, the Chief School Administrator or designee will conduct an investigation and upon completion of the investigation will inform the person(s) who made the report such an investigation was completed. The amount of investigation information shared with the person(s) making the report will be at the discretion of the Chief School Administrator or designee and may vary depending on whether the conduct reported was directed to the person(s) making the report, confidential personnel matters, and/or other issues as determined by the Chief School Administrator or designee.

If the investigation determines conduct prohibited by this policy has taken place, the Chief School Administrator or designee will meet with the offender(s) and the victim(s) to review the investigation results and to implement remedial measures to ensure such conduct does not continue or reoccur. Appropriate disciplinary action may be taken depending on the severity of conduct.

There shall be no reprisals or retaliation against any person(s) who reports conduct prohibited by this policy.

## 4352 SEXUAL HARASSMENT

The Board of Education recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline, which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the New Jersey Division on Civil Rights or to the United States Equal Employment Opportunity Commission. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation 1530, Equal Employment Opportunity.

The Principal/Affirmative Action Director shall instruct all employees of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

## 4360 SUPPORT STAFF MEMBER TENURE

The Board of Education directs that the tenure status of support staff members be determined only in accordance with law and this policy and such contractual terms as may have been negotiated with the employee's majority representative including supervisory personnel will be employed on fixed term contracts and will not acquire tenure in their positions.

The Board will not grant tenure to any employee for whom such tenure has not been provided in law.

## 4381 PROTECTION AGAINST RETALIATION

The Board of Education will take no retaliatory action, by discharge, demotion, suspension, or any other adverse action, against an employee because that employee has conscientiously:

1. Disclosed or threatened to disclose to a supervisor or public body an activity, policy, or practice of this Board or any district officer that the employee reasonably believes to be in violation of law or rule;
2. Provided information to a public body conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or an officer of this district; or
3. Objected to or refused to participate in an activity, policy, or practice of this district that the employee reasonably believes to be in violation of law or rule, fraudulent, criminal, or incompatible with a clear mandate of public policy concerning the public health, safety, or welfare or protection of the environment.

An employee who has reason to believe that the Board has engaged in an illegal activity or an activity contrary to public policy must report that belief in writing to the Chief School Administrator before notice is given to a supervisor or a public body. The Chief School Administrator shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

The protection of law and this policy apply only to employees who have given notice in accordance with this policy and have afforded the Board a reasonable period of time to take any corrective action that may be required or have acted in circumstances that the employee believes in good faith constitute an emergency.

The Chief School Administrator shall post notice of this policy and inform employees of their rights under the New Jersey Conscientious Employee Protection Act.

## 4413 OVERTIME COMPENSATION

The Board of Education will compensate overtime work in accordance with law. "Overtime work" means work in excess of forty hours in a single work week.

No overtime shall be worked without the express advance approval of the Building Principal or the Board Secretary or the Chief School Administrator.

The School Business Administrator is directed to make and maintain such records regarding employees' hours and wages as may be required by law.

## 4415 SUBSTITUTE WAGES

In order to ensure reliable assistance in the absence of regular support staff employees, the Board of Education will offer competitive compensation to qualified substitute secretaries, clerks, custodians, maintenance workers, bus drivers, teacher aides, and cafeteria workers. In no instance shall the wages paid a substitute exceed the wages paid the regular employee.

Substitute support staff members will be paid at a per diem rate set annually by the Board.

Adopted: 22 July 2021

### 4421.13 POSTNATAL ACCOMMODATIONS

The Board of Education recognizes support staff members may be returning to work shortly after their child's birth and may need to express breast milk during the workday. The Patient Protection and Affordable Care Act (PPACA) amended Section 7 of the Federal Fair Labor Standards Act (FLSA) for nursing mothers to be permitted reasonable break times and a private location to express breast milk for their nursing child for one year after the child's birth.

Every employee position in the school district is designated as either "non-exempt" or "exempt" by the provisions of the FLSA. Generally, a support staff member entitled to overtime pay is designated as "non-exempt." A support staff member that performs duties that are executive, administrative, or professional in nature and not entitled to overtime pay is designated "exempt." The school district administration shall refer to the comprehensive definitions of "exempt" and "non-exempt" as outlined in 29 C.F.R. 541 et seq. in determining an employee's designation.

A Board of Education is required to provide reasonable break times to non-exempt support staff members to express breast milk for their nursing child. The non-exempt support staff member shall coordinate such breaks with their immediate supervisor. The non-exempt support staff member will not receive compensation during this break time unless the break time is during a non-exempt support staff member's compensated break time.

A Board of Education is not required under the FLSA to provide such breaks to exempt support staff members. However, exempt support staff members may take such breaks provided the breaks are coordinated with their immediate supervisor. If this break is taken during the exempt support staff member's duty free lunch period or duty free break period during the workday, the exempt support staff member will not be reduced in compensation.

The Principal or the nursing mother's immediate supervisor, in consultation with the school nurse, will designate a lactation room that is shielded from view and free from intrusion from co-workers and the public. The location must be functional as a space for expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. If the space is not dedicated to the nursing mother's use, it must be available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

All exempt and non-exempt support staff members are required to sign-out of work to begin the break to express breast milk and shall sign-in when they return to work after the break. The

## 4425 WORK RELATED DISABILITY PAY

The Board of Education will permit, in accordance with law, the absence without loss of pay or of annual or accumulated sick leave benefits of a support staff member disabled by accident or injury arising out of and in the course of employment. Any such employee shall seek the workers' compensation benefits to which he/she is entitled by law.

An employee whose disability has qualified for the receipt of workers' compensation benefits shall be presumed eligible for work related disability pay under this policy. When an employee's disability is so brief as to preclude the employee's application for worker's compensation benefits, the employee may request and the Board may grant work related disability pay.

Any employee who qualified for work related disability pay under this policy shall receive full pay during the period he/she is on disability leave of absence, up to one calendar year.

As a condition of receiving full salary, an employee who receives workers' compensation benefits for his/her work-related disability must endorse and deliver to the Board all workers' compensation temporary disability checks received for the period covered by this policy.

### 4425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM – SUPPORT STAFF MEMBERS

New Jersey's workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers' compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers' compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers' compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the School Business Administrator, the district's designated Workers' Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board's designated workers' compensation physician. The Workers' Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers' compensation physician's examination and evaluation report;
2. The injured staff member's capabilities to assume modified duties or responsibilities;
3. The availability of modified duties and responsibilities within the district at the time; and/or
4. Other issues that may impact the district's ability to assign modified duties and responsibilities.

## 4431 UNCOMPENSATED LEAVE

The Board of Education may grant a leave of absence without pay on the application of a support staff employee for the purpose of recuperation, study, travel, or child care provided that the employee agrees to return to employment in this district not later than the beginning of the school year following the termination of the period for which the leave is granted.

The Board reserves the right to specify the conditions not otherwise covered by the terms of a negotiated agreement under which uncompensated leave may be taken. Uncompensated leave may be granted only to permanent employees.

A request for uncompensated leave shall be made to the Chief School Administrator at least four weeks in advance of the date on which the proposed leave will begin. A waiver to that rule may be granted in emergency situations. All applications for uncompensated leave are subject to final approval by the Board.

An extension of an uncompensated leave will be considered upon application to the Chief School Administrator.

A change in the purpose of a leave must be reported to the Chief School Administrator. The Board reserves the right to terminate any uncompensated leave of absence for which the purpose has been altered.

An employee absent on uncompensated leave must return to the school district at the termination of the leave; an employee's failure to do so will be considered an abandonment of employment. An employee who returns from an uncompensated leave will be offered a position for which he/she is qualified. Time spent on an uncompensated leave of absence will not count as time on the job for any purpose.

A. Introduction

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in a twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member, or because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a military member on active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty). In addition, eligible employees may take up to a combined total of twenty-six workweeks in a single twelve month period to care for a covered servicemember with a serious injury or illness.

NJFLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twenty-four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

B. Applicability

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.
2. The NJFLA provides twelve weeks leave in a twenty-four month period while the FMLA provides twelve weeks leave in a twelve-month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty-four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.

3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve week FMLA leave, the staff member would be eligible for a twelve week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)

### C. Definitions

#### 1. Federal Family and Medical Leave Act (FMLA)

"Contingency operation" means a military operation that results in the call or order to, or retention on, active duty of members of the uniformed services during a war or during a national emergency declared by the President or Congress.

"Covered active duty" or "call to covered active duty" means duty during deployment of a member with the Armed Forces to a foreign country and, in the case of a member of the Reserve components of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a Federal call or order to active duty in support of a contingency operation.

"Covered servicemember" means a current member of the Armed Forces (including National Guard or Reserves), who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness; or a covered veteran undergoing medical treatment, recuperation, or therapy for a serious injury or illness.

"Covered veteran" means an individual who was a member of the Armed Forces (including National Guard or Reserves), discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible staff member takes FMLA leave to care for the covered veteran. For a veteran discharged prior to March 8, 2013, the effective date of the FMLA Final Rule, the period between October 28, 2009 and March 8, 2013 will not count towards the determination of the five-year period. 29 CFR § 825.127(b)(2)

"Military caregiver leave" means leave taken to care for a covered servicemember with a serious injury or illness under FMLA. 29 CFR §825.127

“Next of kin of a covered servicemember” means the nearest blood relative other than the covered servicemember’s spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins, unless the covered servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. When no such designation is made, and there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember’s next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously. When such designation has been made, the designated individual shall be deemed to be the covered servicemember’s only next of kin. For example, if a covered servicemember has three siblings and has not designated a blood relative to provide care, all three siblings would be considered the covered servicemember’s next of kin. Alternatively, where a covered servicemember has a sibling(s) and designates a cousin as his or her next of kin for FMLA purposes, then only the designated cousin is eligible as the covered servicemember’s next of kin. An employer is permitted to require an employee to provide confirmation of covered family relationship to the covered servicemember pursuant to 29 CFR §825.122(k). 29 CFR §825.127(d)(3)

“Outpatient status” means, with respect to a covered servicemember who is a current member of the Armed Forces, the status of a member of the Armed Forces assigned to either a military medical treatment facility as an outpatient; or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. 29 CFR § 825.127(b)(1)

“Parent” means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter as defined below. This term does not include parents “in law.”

“Parent of a covered servicemember” means a covered servicemember’s biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the covered servicemember. This term does not include parents “in law.”

“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.

“Serious injury or illness,” only in the case of a veteran or current member of the Armed Forces, means:

- a. In the case of a current member of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces and that may render the servicemember medically unfit to perform the duties of the member’s office, grade, rank, or rating; and
- b. In the case of a covered veteran, an injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran, and is:
  - (1) A continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember’s office, grade, rank, or rating; or
  - (2) A physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service-Related Disability Rating (VASRD) of fifty percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or
  - (3) A physical or mental condition that substantially impairs the covered veteran’s ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or
  - (4) An injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers. 29 CFR 825 §127(c)

“Single twelve-month period” means that a military caregiver’s leave begins on the first day the staff member takes FMLA leave and ends twelve months after that date, regardless of the twelve-month period established by the district for other FMLA leave reasons. 29 CFR §825.127(e)(1)

“Son” or “daughter” means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self-care because of a mental or physical disability at the time that FMLA leave is to commence.

“Son or daughter of the covered servicemember” means a covered servicemember’s biological, adopted or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age. 29 CFR §825.127(d)(1)

“Son or daughter on covered active duty or call to covered active duty status” means the staff member’s biological, adopted or foster child, stepchild, legal ward, or a child for whom the staff member stood in loco parentis, who is on covered active duty or call to covered active duty status, and who is of any age. 29 CFR §825.126(a)(5)

“Spouse” means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex marriage or common law marriage. 29 CFR §825.122

“Staff member” means an employee eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).

“Week” or “Workweek” means the number of days a staff member normally works each calendar week.

2. New Jersey Family Leave Act (NJFLA)

“Child” means a biological, adopted or foster child, stepchild, legal ward, child of a parent who is under eighteen years of age or a child eighteen years of age or older but incapable of self-care because of a mental or physical impairment.

“Continuing medical treatment” or “continuing supervision by a health care provider” means a period of incapacity or a period of absence in accordance with N.J.A.C. 13:14.

“Parent” means a biological, adoptive, or foster parent; step-parent; parent-in-law; a legal guardian having a “parent-child relationship” with a child as defined by law; or a person who has sole or joint legal or physical custody, care, guardianship, or visitation with a child.

## D. Eligibility

### 1. Federal Family and Medical Leave Act (FMLA)

A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve-month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive months pursuant to 29 CFR §825.110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FSLA) for determining compensable hours of work pursuant to 29 CFR §785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve-month period beginning on the date of such birth or placement.

Pursuant to 29 CFR §825.201, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve-month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for the staff member's parent with a serious health condition.

The method to determine the twelve-month period in which the twelve weeks of FMLA leave entitlement occurs will be the twelve-month period measured forward from when the staff member's first leave begins.

A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

2. New Jersey Family Leave Act (NJFLA)

A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve-month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.

The district shall grant a family leave under NJFLA to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for the leave. N.J.A.C. 13:14-1.12

A staff member during any period of the NJFLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district.

The staff member may continue the part-time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs will be the twenty-four month period measured forward from when the staff member's first leave begins.

### E. Types of Leave

#### 1. Federal Family and Medical Leave Act (FMLA)

A staff member may take FMLA leave to include servicemember qualifying exigency leave or military caregiver leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

- a. Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may be taken by a staff member intermittently or on a reduced leave schedule.
- b. Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.
- c. Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.

d. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

f. Servicemember qualifying exigency leave may arise out of the foreign deployment of the staff member's spouse, child, or parent 29 CFR §§825.122 and 126:

(1) The district must grant an eligible staff member up to twelve work weeks of unpaid, job-protected leave during a twelve-month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.

- (2) The military member must be the spouse, son, daughter, or parent, of the staff member taking FMLA exigency leave.
- (3) FMLA leave can be granted for one or more of the following exigencies:
  - (a) Short-notice deployment:
    - i. Notification of duty seven or less calendar days prior to date of deployment;
    - ii. Leave can be used for a period of seven calendar days beginning on the date the military member is notified.
  - (b) Military events and related activities, including official ceremonies, programs, or events sponsored by the military and related to the covered active duty or call to covered active duty status of the military member; and to attend family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross.
  - (c) Childcare and school activities including arranging for alternative childcare; providing childcare on an urgent, immediate need basis (not routine, regular, or everyday basis); to enroll in or transfer to a new school or day care facility; or to attend meetings with staff at a school or day care facility:
    - i. The son or daughter must be the son or daughter of the covered servicemember.
  - (d) Financial and legal arrangements made to address the military member's absence while on covered active duty or call to covered active duty status.
  - (e) Counseling, provided by someone other than a health care provider for oneself, for the military member, or qualified child, if the need arises from the covered active duty or call to covered active duty status of the military member.

- (f) Rest and Recuperation (R&R) to spend time with the military member on short-term, temporary R&R leave during a term of deployment:
    - i. Can be used for a period of fifteen calendar days beginning on the date the military member commences each instance of R&R leave.
  - (g) Post-deployment activities such as ceremonies or briefings including any that arise from the death of the military member while on covered active duty.
  - (h) Parental care for one meeting the definition of a “parent” and incapable of self care including: arranging alternative care; providing care on an immediate need basis; and to attend meetings or arrange services at a care facility.
  - (i) Additional activities in accordance with 29 CFR §825.126(b)(9).
- g. Military caregiver leave provides care for a covered servicemember with a serious injury or illness 29 CFR §§825.122 and 127:
- (1) The district must grant up to a total of twenty-six workweeks of unpaid, job-protected leave during a “single twelve-month period” to care for a covered servicemember with a serious injury or illness.
    - (a) The eligible staff member must be the spouse, son, daughter, parent, or next of kin of the covered servicemember.
    - (b) The staff member is limited to a combined total of twenty-six workweeks for any FMLA-qualifying reasons during the single twelve-month period. Up to twelve of the twenty-six weeks may be for an FMLA-qualifying reason other than military caregiver leave.

- (c) Spouses who are eligible for FMLA leave and are employed by the same covered employer may be limited to a combined total of twenty-six workweeks of leave during a single twelve-month period if the leave is taken for birth of the employee's son or daughter or to care for the child after birth, for placement of a son or daughter with the employee for adoption or foster care, or to care for the child after placement, to care for the employee's parent with a serious health condition, or to care for a covered servicemember with a serious injury or illness. If one spouse is ineligible for FMLA leave, the other spouse would be entitled to a full twenty-six workweeks of FMLA leave.
- (2) Leave entitlement is applied on a per-covered-servicemember, per-injury basis.
    - (a) The staff member may take an additional twenty-six weeks of leave if the leave is to care for different covered servicemembers or to care for the same servicemember with a subsequent serious injury or illness, except that no more than twenty-six weeks of leave may be taken within any single twelve-month period.
    - (b) An eligible staff member may take military caregiver leave to care for more than one current service member or covered veteran at the same time or for the same family member with the same serious injury or illness both when the family member is a current servicemember and when the family member is a veteran.
    - (c) Military caregiver leave may be taken by eligible staff members whose family members are recent veterans with serious injuries or illnesses incurred or aggravated in the line of duty on active duty, and that manifested before or after the veteran left active duty.

2. New Jersey Family Leave Act (NJFLA)

A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program. The district shall not require a staff member to take a leave of absence beyond the period of time the staff member requests family leave. N.J.A.C. 13:14-1.5(f)

- a. In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, can not exceed a twelve-month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.
- b. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty-four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

- c. The fact that a holiday may occur within the week taken by a staff member as family leave has no effect and the week is counted as a week of family leave. However, if the staff member is out on family leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

### F. Notice

#### 1. Federal Family and Medical Leave Act (FMLA)

- a. Foreseeable Leave - A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Chief School Administrator if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice "as soon as practical" ordinarily would mean at least verbal notification to the Chief School Administrator within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

When planning medical treatment, the staff member must consult with the Chief School Administrator and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Chief School Administrator prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.

The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.

- b. Unforeseeable Leave - When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Chief School Administrator for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Chief School Administrator within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.

### 2. New Jersey Family Leave Act (NJFLA)

- a. Foreseeable Leave - A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Chief School Administrator of the need to take family leave except where the need to take family leave is not foreseeable.
  - (1) Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the staff member shall provide such notice that is reasonable and practicable.
  - (2) Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.
  - (3) When the Chief School Administrator is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.

- b. Unforeseeable Leave - When the need for leave is not foreseeable, the staff member must provide notice “as soon as practicable” which shall be at least verbal notice to the Chief School Administrator within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Chief School Administrator, but any verbal notice must be followed by written notice delivered within two working days.

## G. Leave Designation

An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The School Business Administrator shall provide the staff member with this Policy to assist the staff member in determining the type of leave.

## H. Benefits

Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA or NJFLA leave time will depend upon either the district’s practice or a provision in the district’s collective bargaining agreement, if applicable. 29 CFR §825.100

The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any ten month staff member who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the staff member would normally receive if they had been working at the end of the school year.

## I. Returning from Leave

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act

A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff

member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes, and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.

The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.

The Board may, in accordance with the provisions of 29 CFR §825.312 delay restoration of employment of a staff member using FMLA leave for the staff member's serious health condition until the staff member submits a fitness-for-duty examination from his/her health care provider indicating that the staff member is able to resume work. In the event the Board requires such a fitness-for-duty examination before restoration of the staff member after leave, the Board will provide the staff member specific notice either at the time the staff member gives notice of the need for leave or immediately after the leave commences and the staff member advises the Board of the medical circumstances for the leave.

If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:

1. The continuation, onset or recurrence of a serious health condition of the staff member; or
2. Circumstances beyond the staff member's control.

#### J. Ineligible Staff Members

1. Federal Family and Medical Leave Act (FMLA)

The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR §825.217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may

delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be "key employees."

In the event the Chief School Administrator believes that reinstatement may be denied to a key employee, the Chief School Administrator must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.

A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.

## 2. New Jersey Family Leave Act

The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. The Chief School Administrator shall

notify the staff member of the intent to deny the leave at the time the Chief School Administrator determines the denial is necessary. If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.

### K. Verification of Leave

#### 1. Federal Family and Medical Leave Act (FMLA)

The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent; or for a servicemember's qualifying exigency or serious injury; or for illness due to the staff member's own serious health condition, that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. The medical certification required encompasses both physical and psychological care and includes situations where a family member is unable to care for his/her own basic medical, hygienic, or nutritional needs or safety, or is unable to transport himself/herself to the doctor. It can also include providing psychological comfort and reassurance beneficial to a child, spouse, or parent with a serious health condition who is receiving inpatient or home care and can include situations where the staff member may be needed to substitute for others who normally care for the family member or covered servicemember or to make arrangements for changes in care. The staff member need not be the only individual or family member available to care for the family member or covered servicemember. 29 CFR §§825.124

The certification must meet the requirements of 29 CFR §§825.306, 309, and 310 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.

In the event the Chief School Administrator doubts the validity of the certification, in accordance with 29 CFR §825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.

The district may require re-certification pursuant to the requirements of 29 CFR §825.308. In accordance with 29 CFR §825.309, the staff member on leave must provide a written report to the Chief School Administrator every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the Chief School Administrator if the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member's own serious health condition, and in accordance with 29 CFR §825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.

In accordance with 29 CFR §825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR §825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.

### 2. New Jersey Family Leave Act

The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.

In the event the Chief School Administrator doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.

L. Interference with Family Leave Rights

The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.

M. Non-Tenured Staff Member

Family leave granted to a nontenured staff member cannot extend the staff member's employment beyond the expiration of his/her employment contract.

N. Record Keeping

In order that staff member's entitlement to FMLA leave and NJFLA leave can be properly determined, the Chief School Administrator shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Chief School Administrator will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.

O. Processing of Complaints

1. Federal Family and Medical Leave Act (FMLA) 29 CFR §§825.400-401

- a. If there is a dispute between the district and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the district. Such discussions and the decision shall be documented by the school district.
  - b. The staff member also may file, or have another person file on his/her behalf, a complaint with the United States Secretary of Labor. A complaint may be filed in person, by mail, or by telephone with the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, at any local office of the Wage and Hour Division.
2. New Jersey Family Leave Act N.J.A.C. 13:14-1.16
    - a. Any complaint alleging a violation of the Act shall be processed in the same manner as a complaint filed under the terms of N.J.S.A. 10:5-1 et seq. and N.J.A.C. 13:4 through the New Jersey Department of Law and Public Safety, Division on Civil Rights.

Implementation of FMLA and NJFLA will be consistent with provisions in collective bargaining agreement(s) in the district.

29 CFR §825 et seq.  
29 CFR §785  
N.J.S.A. 10:5-1  
N.J.A.C. 13:14-1 et seq.

### 4431.3 NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey – Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer-provided private plan.

A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Chief School Administrator written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty-day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Chief School Administrator and the employee and, if agreed to, must be taken in periods of seven days or more.

A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.

For the purposes of this Policy, "family member" means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. "Child" means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self-care because of mental or physical impairment.

All applications for benefits under the NJFLI must be filed directly with the State of New Jersey – Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI as administered by the State of New Jersey – Department of Labor

and Workforce Development. A formal appeal may be submitted to the State of New Jersey – Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.

The NJFLI provides eligible individuals a monetary benefit and not a leave benefit. In addition, the school district administrative and related staff will comply with the State of New Jersey - Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.

The Board may elect to provide employees with Family Leave Insurance benefits coverage under a private plan which must be approved by the State of New Jersey – Department of Labor and Workforce Development.

A printed notification of covered individuals' rights relative to the receipt of benefits under the NJFLI will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite. Each employee shall receive a copy of this notification in writing at the time of the employee's hiring, whenever the employee provides written notice to the Chief School Administrator of their intention to apply for benefits under the NJFLI, or at any time upon the first request of the employee. The written notification may be transmitted to the employee in electronic form.

### 4432 SICK LEAVE

The Board of Education shall grant sick leave, in accordance with law, to support staff members absent from work because of personal disability or quarantine. Each steadily employed employee eligible for sick leave will be entitled annually to the number of paid sick leave days negotiated with the employee's majority representative or provided in this policy.

An employee who has been employed in the district at least twelve months and for at least one thousand two hundred fifty hours in the previous twelve months is eligible for sick leave under the Federal Family and Medical Leave Act. When any such employee with a serious health condition has exhausted his/her entitlement to paid sick leave, and personal leave and vacation time the Board will grant additional, unpaid sick leave until the total amount of the employee's sick leave, both paid and unpaid, is equal to twelve work weeks in any twelve month period. "Serious health condition" means an illness, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential care facility or continuing treatment by a health care provider. When medically necessary, unpaid sick leave granted under this paragraph may be taken intermittently or on a reduced leave schedule.

The Board will consider the application of any eligible employee for an extension of sick leave when the employee has exhausted all statutory entitlements to sick leave.

The Board reserves the right to require of any employee who claims sick leave sufficient proof, including a physician's certification, of the employee's illness or disability. As a minimum, no day will be considered to be a sick leave day on which the employee has engaged in or prepared for other gainful employment, has participated in a work stoppage, or has engaged in any activity that would raise doubts regarding the validity of the sick leave request.

The Chief School Administrator will prepare rules for the administration of the Board's policy on sick leave, which shall be binding on all employees.

The Chief School Administrator will submit to the Board the names of those employees absent for non-compensable cause or whose claim for sick leave pay cannot be justified. The willful misuse of sick leave will be considered a serious infraction and is subject to discipline.

### 4435 ANTICIPATED DISABILITY

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not otherwise covered by the terms of the negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Chief School Administrator as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at parturition, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after parturition, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in district operations. Whenever possible, partial year leaves of absence will begin and end at divisions in the academic calendar and will cause not more than one interruption in employment continuity during the school year in which the leave is taken. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. An employee on voluntary leave of absence is not eligible for sick leave pay for disability occurring during the period of that absence.

### 4436 PERSONAL LEAVE

The Board of Education will provide for an employee's compensated absence for reason of personal necessity not covered by the terms of a negotiated agreement.

The Board reserves the right to determine the reasons for which personal leave will be granted, the number of days that may be used in any one school year for personal leave, and the manner of proof of personal necessity.

A permanent employee may be absent without loss of compensation for reason of personal necessity not more than according to the employment contract during the school year. No unused personal leave day or days may be accumulated for use in a subsequent school year.

A request for a personal leave day shall be made to the Chief School Administrator not less than fourteen days in advance of the proposed leave, except that advance permission is not required when the personal necessity is an emergency.

Personal leave may be taken for the serious illness, disability, wedding, or death of the employee's spouse, child, parent(s) or legal guardian(s) parent(s) or legal guardian(s), sibling, in fact or in law; the employee's court appearance as a litigant; the employee's wedding; the employee's observance of a religious holiday.

In no case shall personal leave be taken to extend a school holiday, vacation, or religious holiday or social or avocational reasons.

Such leave shall be in addition to the regular vacation or other accrued leave provided to the officer or employee.
